Current quarantine measures.

[Translated in this Bureau from the "Veröffentlichungen des Kaiserlichen Gesundheitsamtes," Berlin, October 28, 1896.]

TURKEY.—The sanitary council has ordered as follows :

1. Arrivals from Alexandria are subject to a twenty-four hours' medical observation in lazaretto, together with disinfection of clothes and effects of travelers.

2. Arrivals from other Mediterranean ports of Egypt are admitted without quarantine.

3. Arrivals from Suez and from the Egyptian coast of the Red Sea are subject to quarantine at Abu Said and Camaran, together with disinfection of clothes and effects of passengers.

SPAIN.—By royal order of October 16 the quarantine against arrivals from Port Said is suspended.

PLAGUE.

TURKEY.—By resolution of the international council of health arrivals from Bombay are subject to ten days' quarantine, with thorough disinfection of clothing and baggage.

EGYPT.—By resolution of the permanent commission of the council of health at Alexandria of October 3, quarantine regulations against plague have been put in force against arrivals from the coast line from Lith to Lohaja.

Cholera notes.

[Translated in this Bureau from the "Veröffentlichungen des Kaiserlichen Gesundheitsamtes," Berlin, October 14 and 25, 1896.]

EGYPT.—From September 15 to 21, there were 9 cases and 28 deaths in Cairo; from September 29 to October 5, 1 case, 2 deaths. In the district of Ahu Dig, from September 15 to 21, 22 cases, 42 deaths; district of Tama, 18 cases, 19 deaths; district of El Baliana, 17 cases, 22 deaths; and later, from September 15 to 25, in 18 cities and districts, 52 cases, 108 deaths. The total number of cases and deaths reported in Egypt up to September 25, was 21,569 and 17,990, respectively. In Alexandria, 1,069 and 907, respectively. No new cases were reported in the latter city from September 20 to 26.

EAST INDIES—*Calcutta*.—From September 13 to 19, there were 4 cholera deaths.
